Upcoming Recruitment Activities

Graduate Fairs

- Which ones to attend?
- Does your department have any priorities?
- Can you help identify good sources of students?

Undergraduate Research Conference

- Undergraduate research presentations
- 8th Annual Conference, April 6th, 2010
- Visits from other universities
- Opportunity for students to experience research presentations

Summer Pizza Party

- If you have an REU or other summer research experience program, let us know
- We want to host another Pizza party but would like to coordinate ahead of time
- Other opportunities given that we have the students here?

Coordinated Schools Visits Program

- We select *regions* and make visits to universities in the area; overnight trip
- Target *disciplines, faculty, programs* and make concerted effort to recruit at these institutions
- 3 clusters identified: DC, Richmond, NC

Coordinated Schools Visits Program

- Nomination/Application Process (available soon)
 - Identify university partners, collaborators
 - Identify opportunities available for students
 - Identify faculty mentors

Open Discussion

- Best practices? What works well for your department/program?
- What would you like to do but can't afford to do? or can't do alone?
- How can we collaborate to recruit a better and more diverse graduate student body?
