**A. Call meeting to order – Bill Galloway**

Prof. Galloway proposed that the committee consider the following 18 courses as a “block” since they are consistent with those that we have approved with minor corrections in the past: FIN 5604, MGT 5654, MGT 5664, REL/IDST 5234, GEOS 5154, BMES 5174, ISE 6444, BIT 5604, ACIS 5034, ECE 5144, SOC 6214, MSE 5184, MSE 5304, MSE 5614, BSE 5614, ECE/CS 6570, BMES 5244, CHE/BMES 5304. All in favor, none opposed.

MSE 6204 Semiconductor Nanostructures was approved at the 11/9/06 meeting; the committee voted to approve the course renumbering to MSE 6214.
