

Minutes of Graduate Curriculum Committee

April 12, 2007

GLC at Donaldson Brown, 1:15 PM

Members Present: Laura Delaney, Marvin Foushee, Bill Galloway, Tim Pratt, Michael Badawy, Tony Colaianne, Stephanie Berry, Tim Luke, Traian Iliescu, Matthew Eick

Absent with notification: Brian Mihalik, Phil Radtke (for Steve Prisley)

A. Call meeting to order – Bill Galloway

Prof. Galloway proposed that the committee consider the following 11 course proposals, previously tabled and resubmitted with revisions, as a “block” since they are consistent with those approved with minor corrections in the past: ACIS 5704, BMES 5024, ISE 5164, FST 5114, FST 5124, FST 5134, FST 5144, FST 5154, FST 5164, FST 5174, FST 5184. All in favor, none opposed.

C. New business items:

Courses:

Approved:

College of Agriculture and Life Sciences

FST 5114 Introduction to Risk Management for Health Products

FST 5134 Risk Science in Pharmaceutical Processes – Tools and Techniques
